Geekerella

A Novel

ANYTHING CAN
HAPPEN ONCE UPON
A COMIC-CON...

by Ashley Poston

Part romance, part love letter to nerd culture, and all totally adorable, *Geekerella* is a fairy tale for anyone who believes in the magic of fandom. Geek girl Elle Wittimer lives and breathes *Starfield*, the classic sci-fi series she grew up watching with her late father. So when she sees a cosplay contest for a new *Starfield* movie, she has to enter. The prize? An invitation to the ExcelsiCon Cosplay Ball, and a meet-and-greet with the actor slated to play Federation Prince Carmindor in the reboot. With savings from her gig at the Magic Pumpkin food truck (and her dad's old costume), Elle's determined to win...unless her stepsisters get there first.

Teen actor Darien Freeman used to live for cons—before he was famous. Now they're nothing but autographs and awkward meet-and-greets. Playing Carmindor is all he's ever wanted, but the *Starfield* fandom has written him off as just another dumb heartthrob. As ExcelsiCon draws near, Darien feels more and more like a fake—until he meets a girl who shows him otherwise.

ASHLEY POSTON is the author of *The Sound of Us* and *We Own the Night*, both published by Bloomsbury Spark.

Kid Authors

True Tales of Childhood from Great Writers

**BECAUSE EVERY LITERARY
GIANT STARTED OUT SMALL.**

by **David Stabler**
Illustrated by **Doogie Horner**

The series that includes *Kid Presidents*, *Kid Artists*, and *Kid Athletes* now chronicles the lives of *Kid Authors*! Here are true tales of famous writers, from long before they were famous—or even old enough to drive. Did you know:

- Sam Clemens (aka Mark Twain) loved to skip school and make mischief, with his best friend Tom, of course!
- A young J. R. R. Tolkien was bitten by a huge tarantula—or as he called it, “a spider as big as a dragon.”
- Toddler Zora Neale Hurston took her first steps when a wild hog entered her house and started chasing her!

The diverse and inclusive cast includes Roald Dahl, Beverly Cleary, J. K. Rowling, Langston Hughes, Jules Verne, Lewis Carroll, Stan Lee, and many more.

DAVID STABLER is the kid-friendly alter ego of Robert Schnakenberg, a senior copywriter at Random House. **DOOGIE HORNER** is a writer, illustrator, and stand-up comedian. Together, they’ve written and illustrated *Kid Presidents* (Quirk, 2014), *Kid Athletes* (Quirk, 2015), and *Kid Artists* (Quirk, 2016).

Series Overview

“Fans of [R.L. Stine’s] *Goosebumps* and other lightly creepy fare will look forward to spending more time with [this] series.”—*Publishers Weekly*

by **Charles Gilman**
illustrations by **Eugene Smith**

It’s a new school year in a strange new school: Lovecraft Middle School. It’s a brand-new state-of-the-art facility—so why do creepy things keep happening? Why do teachers act so strangely? And where are all the rats coming from?

In *Professor Gargoyle*, 11-year-old Robert and his new friends Glenn and Karina discover that the school library might be a portal to another world, one teeming with monsters, demons, ghosts, and other beasts that go squish in the night.

In *The Slither Sisters*, we follow Robert and his friends deeper into the world of Lovecraft Middle School—and its bizarre parallel dimension, where they match wits with a pair of mysterious twin sisters who may not be what they seem . . .

Teacher’s Pest introduces us to student council president Howard Mergler. Don’t be fooled by his polite manners or perfect test scores—he’s really a horrible insectoid monster determined to destroy the school!

In our newest book, *Substitute Creature*, after a giant storm dumps over a meter of snow on the town, Robert and his friends find themselves trapped in Lovecraft Middle School. They have no choice but to spend the night sleeping in classrooms and facing off against a sinister substitute teacher.
