

Healing AF

A No-Excuses Workbook for Facing Your Sh*t, Breaking Your Patterns, and Reclaiming You!

Janelle Ginestra

BOOK DESCRIPTION

Crafted by the raw, relentless, creative force of nature that is Janelle Ginestra, founder of Naughty Girl Fitness (10M+ followers across social!), this workbook is your safe space to unravel, rebuild, and rediscover your strength along your healing journey. It's bold. It's empowering. And it's ready to get sh*t done!

This isn't your sweet little healing journal. It's your wake-up call!

Created for anyone who's done playing small and ready to step all the way into their power, this workbook is your permission slip to feel everything, own everything, and rise anyway. Inspired by Janelle Ginestra's journey through heartbreak, reinvention, and radical self-love, this workbook is here to shake you up.

Inside, you won't just reflect—you'll call yourself out, break your patterns, and rebuild your confidence from the inside out with exercises like:

Guided journal prompts: Deep, unfiltered questions that make you get real with yourself—fast.

Real talk advice: Straight-up guidance you might not always want to hear, but need to.

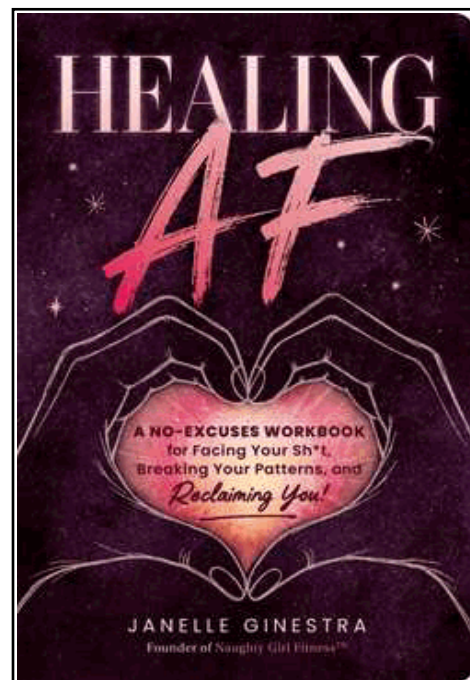

Somatic exercises: Raw, body-based practices that get you out of your head and back into your power.

No-BS mantras: Bold, unapologetic reminders that cut through self-doubt and keep you grounded in your worth.

It's messy, it's honest, it's empowering as hell. Whether you're getting over someone, reclaiming your worth, or stepping into your next era, this journal meets you where you are and pushes you to go further!

Self-Care for IVF

Gentle Support and Practical Tools for Every Step of Your Journey

Lora Shahine

BOOK DESCRIPTION

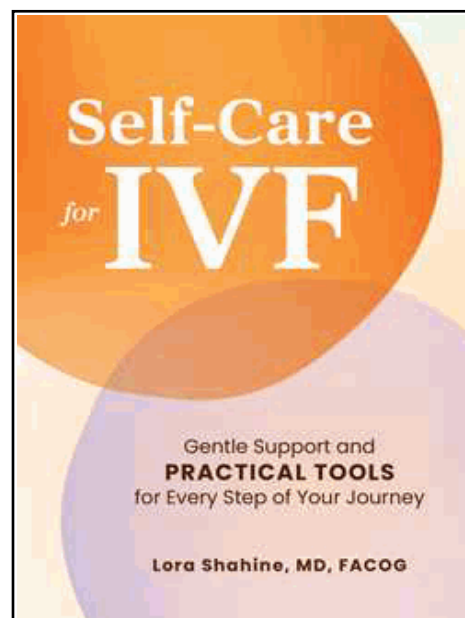

As more women are starting fertility treatment, **Self-Care for IVF** is the practical self-care guide they want and need. Designed to support the emotional, physical, and mental toll of treatment without false promises or toxic positivity, this book offers realistic tools for coping with the uncertainty, medical overwhelm, and waiting that IVF-related medical procedures bring.

IVF is often described as a medical process, but living through it is something else entirely. Between injections, appointments, waiting periods, and life-altering news delivered in clinical settings, many patients are left emotionally depleted, physically exhausted, and unsure how to care for themselves beyond “just getting through it.” This book is a self-care guide created specifically for people navigating IVF—grounded in reality, compassion, and focused on what actually helps.

Organized by each phase of the IVF journey, the book offers practical tools for managing anxiety, uncertainty, grief, body discomfort, and identity loss as treatment unfolds. Readers will find realistic strategies for emotional regulation, boundary-setting, rest, and recovery; scripts for difficult conversations; and permission to feel anger, jealousy, hope, and exhaustion—sometimes all at once. Without promising outcomes or blaming mindsets, this book centers the well-being of the person undergoing treatment, offering support whether IVF leads to pregnancy, another cycle, or an unexpected ending. This is not a guide to “staying positive” or optimizing results. It is a companion for surviving IVF with care, dignity, and self-compassion—no matter what happens next.

AUTHOR BIO

Dr. Lora Shahine, MD, FACOG, is a double board-certified reproductive endocrinologist and infertility specialist, clinical associate professor at the University of Washington, and director of the Center for Recurrent Pregnancy Loss at Pacific NW Fertility in Seattle. A Seattle Top Doctor, she has published more than 75 peer-reviewed research papers. Through her clinical practice, teaching, public speaking, and social media, where she educates more than one million followers, Dr. Shahine has become one of the country's most trusted voices in reproductive medicine.

The Emotional Detox Workbook

A Practical Guide to Releasing Emotional Overload and Creating Calm, Clarity, and Resilience

Sherianna Boyle

BOOK DESCRIPTION

The Emotional Detox Workbook makes processing your feelings easier than ever. With guided prompts, self-assessments, and simple emotional-reset exercises based on Sherianna Boyle's popular CLEANSE method, it helps readers release built-up stress, work through difficult emotions, and create more calm, clarity, and resilience in everyday life.

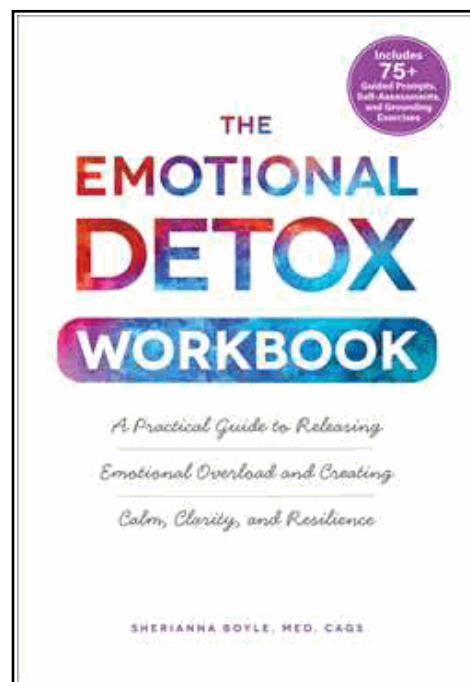

The Emotional Detox Workbook offers a structured path to release what people have been carrying and make room for calmer, healthier responses. Building on the appeal of the Emotional Detox brand, this interactive workbook takes readers beyond insight and into practice, helping them identify emotional buildup before it hardens into anxiety, resentment, or burnout.

Following the CLEANSE method, this workbook guides them through step-by-step exercises that help them move through emotions in real time. With self-assessments, reflection prompts, grounding exercises, and repeatable reset rituals, readers learn how to process difficult emotions and work through obstacles they may be facing. The workbook includes dedicated cleanses for the mind, body, and soul, tackling specific issues such as mental overload, resentment, guilt, and heartache.

In a world where readers feel chronically stressed, emotionally overloaded, and disconnected from themselves, this workbook is an important tool readers can return to for clarity, purpose, and reconnecting with their truest self.

Think Like a Stoic

A Practical Guide to Master Your Mind, Build Discipline, and Turn Obstacles Into Unshakable Strength

Erick Cloward

BOOK DESCRIPTION

Drawing on the timeless teachings of Marcus Aurelius, Seneca, Epictetus, and other philosophers, this practical guide translates ancient Stoic wisdom into modern, actionable strategies to help you face challenges, stress, and setbacks with composure, resilience, and commitment.

Want to face challenges, stress, and setbacks with composure, resilience, and commitment? Then it's time to start thinking like a Stoic.

Using the effective exercises, reflective prompts, and real-world applications of Stoic principles in this book, you'll train your mind like a muscle and learn to act with intention instead of impulse.

You'll learn how to:

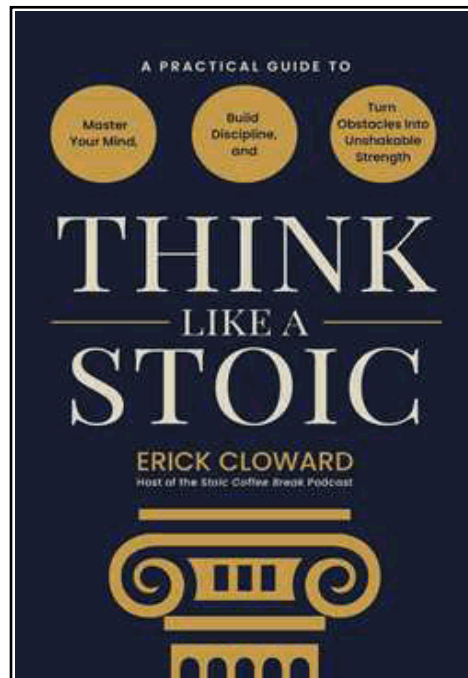

- Stay calm, focused, and decisive under pressure
- Develop consistent self-discipline and break destructive habits
- Master your thoughts and responses
- Strengthen emotional resilience and build mental toughness
- Turn setbacks into opportunities for growth
- And more

Throughout the book, you'll find discussions about key Stoic concepts and insightful questions to help you apply them to your own life.

Master your mind, strengthen your self-discipline, and live with Stoic clarity with the help of *Think Like a Stoic*.

AUTHOR BIO

Erick Cloward is an executive coach that helps leaders build more resilient teams and make better decisions when facing uncertainty. A former tech CTO and software developer, Erick started the *Stoic Coffee Break* podcast in 2018, after stumbling onto stoicism from a book recommendation from Tim Ferriss. Today, *Stoic Coffee Break* has more than 9 million downloads and provides listeners with practical lessons on how to apply stoicism in their daily lives. Erick writes about stoicism and leadership. What It Means to Be Catholic

A Simple Guide to Believing, Belonging, and Beginning
Ana Munley

BOOK DESCRIPTION

As more people discover—or rediscover—Catholicism, *What It Means to Be Catholic* offers a welcoming introduction to the beliefs, traditions, and history that shape Catholic life. Popular podcast host and content creator Ana Munley (700K+ followers) helps curious readers and returning Catholics alike understand what Catholics believe, how they worship, and what it means to live the faith today.

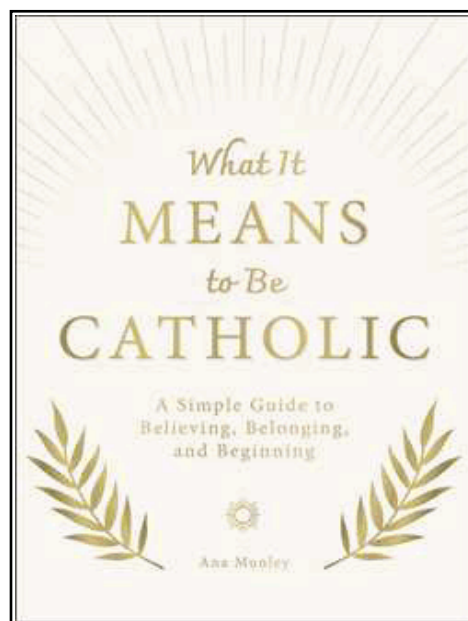

Catholicism has shaped art, language, holidays, family traditions, and global culture for centuries, yet to many readers it still feels mysterious from the outside and fragmented from the inside. This is a friendly, accessible guide that demystifies the faith's essentials, explaining not just what Catholics believe, but how those beliefs show up in prayer, ritual, symbolism, and everyday life.

Rather than assuming prior knowledge or taking an overtly academic or apologetics-heavy approach, this book meets readers where they are. It is designed for the curious beginner, the lapsed Catholic thinking about returning, the OCIA/RCIA participant trying to get oriented, and the gift buyer looking for a smart, attractive, genuinely useful book. Readers will come away understanding the meaning behind Catholic practices that can otherwise feel opaque: why Mass matters, what the sacraments do, why Mary and the saints are so central, how confession works, what the liturgical year is, and how Catholic identity is expressed at home as well as in church.

Entries and sidebars also include explainers on the seven sacraments; the structure of the Mass; Advent, Lent, Easter, and feast days; Mary, the rosary, and the communion of saints; common prayers; symbols such as holy water, incense, candles, medals, scapulars, and the crucifix; and guides to what happens at Baptism, First Communion, Confirmation, weddings, and funerals. The result is a go-to Catholicism primer that is practical, readable, giftable, and evergreen.

AUTHOR BIO

Ana Munley is a Catholic content creator and host of the *AfterMass* podcast who shares her faith with 700,000+ followers across social media. Drawing on her own journey of rediscovering the richness of the Catholic faith, she shares Church teaching with clarity, conviction, and compassion. Ana lives in Florida with her husband and their two children.

Ridiculous Questions to Ask Your Partner

499 Conversation Starters for Bonding, Banter, & Bothering

Emma Plowright

BOOK DESCRIPTION

You already know their favorite color, food, and childhood memory, so now it's time to get to the real questions: If I were a seed, would you plant me? Popular TikToker Emma Plowright has curated this collection of outrageous questions, from challenging would-you-rathers to absurd hypotheticals, so you can quiz your partner for hours, and spark conversation—or stir up a (fun) argument.

"Which one of my teeth is your favorite?"

"If we were both sponges, who would be more absorbent?"

"Would you rather be trapped in the body of a snail for one week, or have a snail control your body for one week?"

The best conversations start with the weirdest possible questions!

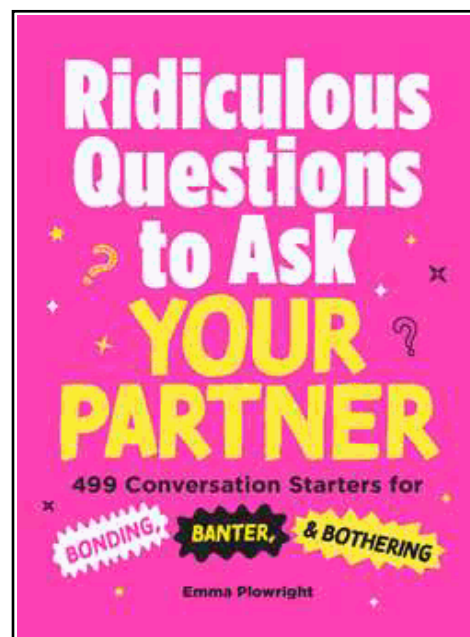

This book is a packed with strange, ridiculous, and surprisingly revealing prompts that give couples a playful way to talk, laugh, bicker, and bond, without making it feel like homework.

Perfect for date nights, road trips, waiting for your food to arrive, or for bothering someone who is allegedly "trying to relax," this collection turns everyday downtime into time for a chat. Some prompts are absurd, some are chaotic, and some will accidentally reveal a little too much about how your partner's mind works.

Inside, readers will find outrageous hypotheticals, impossible choices, mini debates, and rapid-fire prompts designed to spark laughter first and connection second. It's a light, giftable, dip-in-anywhere book for couples who want to feel closer—but would prefer to get there by arguing about something completely ridiculous.

AUTHOR BIO

Emma Plowright is a stand up comedian and writer who posts online videos under the name Plowrong. She is known for her viral series of questions to ask your partner when they are busy. Emma is originally from Nottinghamshire, UK, and now lives in Cambridgeshire with her partner.

Dungeonmeister: Roll for Encounter

Create 75 Custom RPG Encounters with Remixable Templates and Random Tables

Jef Aldrich & Jon Taylor

BOOK DESCRIPTION

Your party's next tabletop RPG challenge is just a couple rolls away! The latest addition to the popular *Dungeonmeister* series lets you build your own entertaining random encounters with the roll of a die. With popular settings, unique stories, and detailed tables, your next roadside clash, tavern negotiation, or village mystery will come to life in no time.

Make game prep feel like play!

Dungeonmeister: Roll for Encounter is a tool that helps fantasy RPG Game Masters and players build encounters in minutes—and have a blast doing it! With customizable encounters built around inventive stories, you must roll to fill in the details using the random tables provided. The completed stories then become playable encounters that feel fresh, useful, and perfect for your campaign.

Inside, you will find encounters organized by familiar fantasy locations so you can build an encounter whether your party's deep within a forest, traveling along a road, or exploring a new city. Each unique scenario within the setting has you rolling to fill in details like who you meet, places you discover, items you find, and consequences you face.

It's fun, it's fast, and it's exactly what every game needs!

The Green Witch's Book of Seasons

A Seasonal Guide to the Power of Natural Magic

Arin Murphy-Hiscock

BOOK DESCRIPTION

Discover the power of natural magic and healing all year round in this seasonal guide to green witchcraft.

Bestselling author Arin Murphy-Hiscock goes beyond the wheel of the year to provide you with her distinctive and unique guidance on honoring nature and harnessing the power of the seasons.

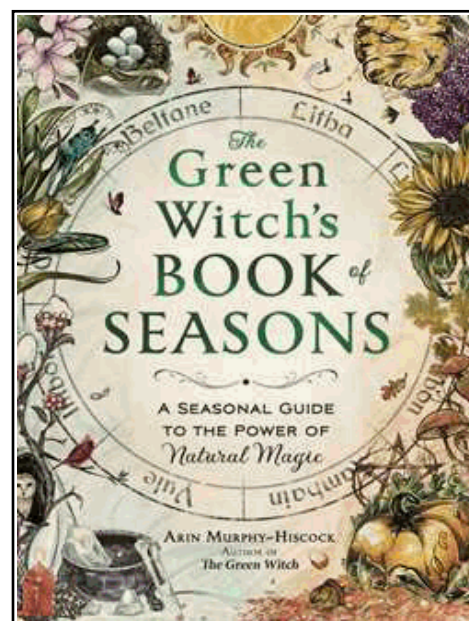

The green witch embraces the power of nature; calls on nature for guidance; and uses plants, flowers, and herbs as an essential element of her healing practice. But that doesn't mean her magick stops when the weather turns cold and the earth seems barren.

In *The Green Witch's Book of Seasons*, you'll learn about the power of every season—and how you can harness it to develop your practice. This book is your guide to deepening your practice and your connection with the earth, no matter the weather, no matter what plants are available, and no matter the season. You'll learn a bit more about green witchcraft, the importance of honoring the seasonal cycles, and how to use cultural celebrations to enhance the season and create your own personal "wheel of the year". From there, you'll dive into a series of spells, each specifically designed to fully capture the magick of each unique season.

Learn about the world of the green witch and discover what the power of nature has in store for you—all year long.

AUTHOR BIO

Arin Murphy-Hiscock is the author of *The Green Witch's Grimoire*, *Spellcrafting*, *The Pregnant Goddess*, *Wicca*, *The Green Witch*, *The Way of the Hedge Witch*, *House Witch*, *The Witch's Book of Self-Care*, *Pagan Pregnancy*, *Solitary Wicca for Life*, and *The Hidden Meaning of Birds—A Spiritual Field Guide*. She has been active in the field of alternative spirituality for over twenty years and lives in Montreal, Canada.

The Case of the Whispering House: Book 1

Solve the Logic Puzzles—and the Plot of a Psychological Horror Story!

Lee Mountford with Jesse Gazic

BOOK DESCRIPTION

Follow the leads. Solve the puzzles. Survive your trip to Gallows' Way! Join psychologist-turned-monster hunter David Hawthorne as he races to save the town—and the world—from sinister occult forces. Combining psychological horror with 50 logic puzzles, *The Case of the Whispering House* starts you down a dark and challenging path. Will you make it out alive?

Psychologist David Hawthorne considers himself a serious man who has devoted himself to his work. He cares deeply about his patients and his research and believes whole-heartedly that all things paranormal, ghostly, and odd can be easily explained away with a simple understanding of the human brain.

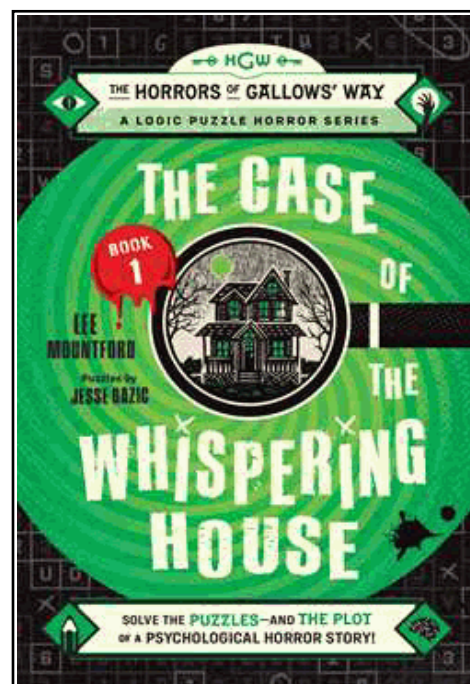

So, David is beyond surprised when his beloved mentor, renowned psychologist Arthur Atwood, goes missing under strange circumstances, leaving behind only a series of encoded case files. In Arthur's first case file, David learns of a house that is supposedly being haunted by a restless, whispering spirit. David may insist that he doesn't believe in ghosts, but even he can't deny that something odd is happening, and when someone disappears into the mysterious depths of the house, it's up to David to solve the clues to save her...before it's too late.

As David digs deeper into each case, unlocking each code, and encountering increasingly abnormal circumstances, he's forced to reckon with a new truth: that the supernatural might not be so easily explained after all.

AUTHOR BIO

Lee Mountford is a horror author from the North-East of England. He is the author of popular titles like *Horror in the Woods* and the *Haunted* series and is a lifelong horror fan...much to the dismay of his amazing wife Michelle. He is also the father of two fantastic daughters: Ella and Sophie. And while Michelle is hoping the girls don't inherit their father's love of horror, Lee has other ideas...

Jesse Gazic is a game designer and writer specializing in escape rooms and immersive works, some of which have toured internationally. His previous credits include *The Perfect Bite*, *Escape the Ghost Ship*, and *The Dragon's Song* (Secret City Adventures). In 2024, he founded Lockwood Immersive, which has created award-winning puzzle experiences like *Shades of Grey*, *Flux*, and *The Hunt for the Brightwing Butterfly*. The Case of the Bloodless Corpse: Book 2

Solve the Logic Puzzles—and the Plot of a Psychological Horror Story!

Lee Mountford with Jesse Gazic

BOOK DESCRIPTION

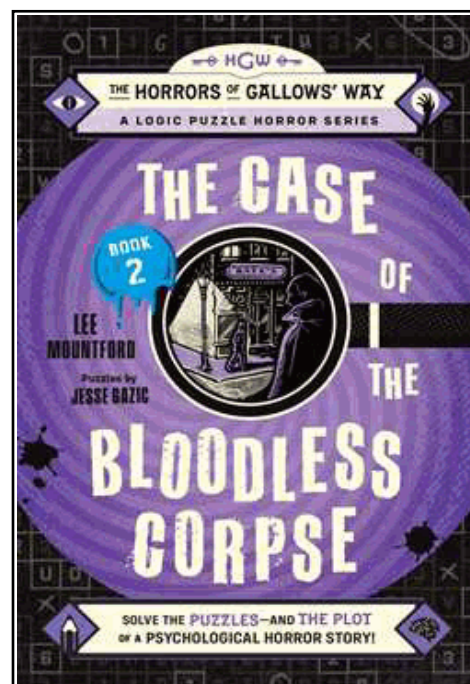

Follow the leads. Solve the puzzles. Survive your trip to Gallows' Way! Join psychologist-turned-monster hunter David Hawthorne as he races to save the town—and the world—from sinister occult forces. Combining psychological horror with 50 logic puzzles, *The Case of the Bloodless Corpse* brings you deeper into the terrors of Gallows' Way. Will you make it out alive?

After delving into his first case, David is finding it harder and harder to stick to his belief in all things real and rational. His worldview is once again put to the test when a gruesome corpse is discovered in Gallows' Way. The corpse is completely drained of blood, and, try as he might to uncover a more reasonable alternative, David can think of only one creature that feeds upon its prey that way. As much as David may want to believe that vampirism isn't real, it's up to him to open the next case file to save the townsfolk from a truly terrible fate. As David digs deeper into each case, unlocking each code, and encountering increasingly abnormal circumstances, he's forced to reckon with a new truth: that the supernatural might not be so easily explained after all.
