### The Judas Hit

**World English:** Tarkus Press

**Agent:** Louise Fury

September 2018. Finished books available.

**Dan Brown meets James Bond with supernatural elements.**

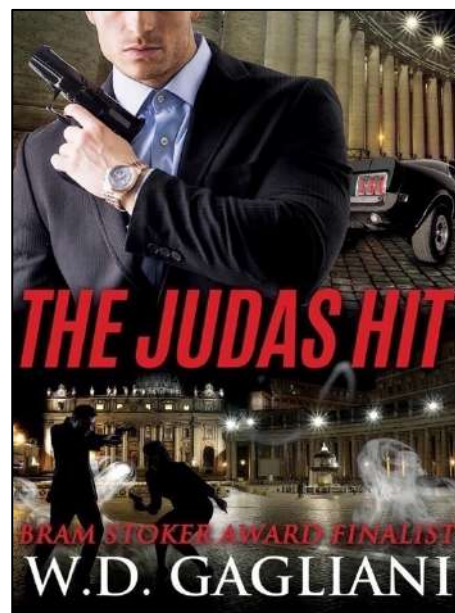

A thriller with Jack Reacher-like fighting scenes, Da Vinci Code intrigue, and a James Bond-like main character who's suave but deadly...and immortal.

Simon Pound is Judas Iscariot—made near-immortal by the enormity of his act of betrayal and bound to guard against all future evil. He works as an expert assassin for the shadowy Vatican Secret Service (VSS), a faction formed to guard the famed secret archives. Most of his missions are routine assassinations, but occasionally, Simon assumes his true role as protector, avenger, and executioner.

In THE JUDAS HIT, Simon is assigned to investigate a religious artifact found at a construction site. The artifact had once been in the Vatican archives – how it disappeared and surfaced in Ohio is a mystery, as is the fact that people are dying all around it.

Simon's assignment: identify and execute the members of the group and Kessler himself. But it soon becomes obvious that Simon is marked for death by blade-wielding assassins. And unfortunately for him, these assassins have finally found the one (and only) way to kill him. In a race against time, Simon must protect not only himself, but also his church and employers—and the world.

*"Stoker Award–finalist Gagliani's offbeat supernatural thriller boasts an audacious premise...Action fans looking for an out-there page-turner are in luck."* —**Publishers Weekly**

W. D. Gagliani is a Bram Stoker Award finalist and the author of the acclaimed Nick Lupo series (Dorchester Publishing).

## ORNA LANDAU

### The Bet

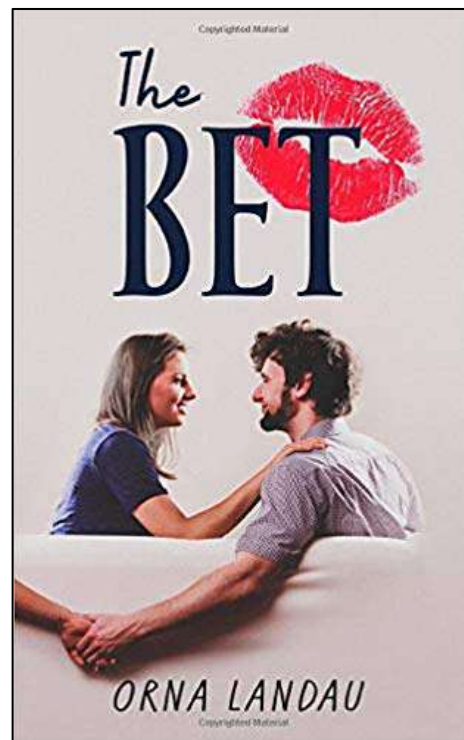

Agent: Louise Fury  
Manuscript available.

#### For fans of Gayle Forman's *Leave Me*.

It's Sarah's 45th birthday and Ben, her husband, takes her for a distinctly unromantic dinner at the local mall. Ben jokingly remarks that Sarah is stuck with him now, since she's past the tipping point of marketability. The chances of a woman her age finding a man, he says, are smaller than the chances of being attacked by a terrorist. Insulted and upset, Sarah spontaneously proposes a bet: three months of separation during which both will be free to engage other partners. The words are barely spoken and Ben accepts. Thus begins *THE BET*—a touching, intelligently funny and provocative exploration of love, sex, and the meaning of commitment in the age of narcissism.

There are three simple rules to the bet: no one else must know, only strangers are fair game, and strictly no falling in love.

Authentic and flawed, like the characters surrounding them, Sarah and Ben journey the stormy waters of modern relationships and realize that some secrets are bound to be uncovered as they are forced to reassess their definition of picture-perfect marriage and "having it all." Moving and entertaining, Orna Landau has written a wise novel about what happens in a modern marriage when the barriers of trust are shattered, and whether trust can be salvaged.

## DARRAGH MARTIN

### Future Popes of Ireland

UK: 4<sup>th</sup> Estate/HarperCollins

Agent: Louise Fury

Summer 2018. Finished books available.

**In the vein of Irish family dramas like Anne Enright's *The Gathering* or Matthew Thomas's *We Are Not Ourselves* and Zadie Smith's *Swing Time*, this is a big-hearted, funny, sad, dazzlingly ambitious novel.**

In 1979 Bridget Doyle has one goal: for her family to produce the very first Irish pope. Fired up by John Paul II's visit to Ireland, she sprinkles holy water on the bed of her son and daughter-in-law, and leaves them to get on with things. But when her daughter-in-law dies in childbirth, Granny Doyle is left bringing up four grandchildren.

Thirty years later, it seems unlikely any of them are going to fulfill her hopes. Damien is trying to work up the courage to tell her he's gay. Rosie is a dreamy blue-haired rebel who wants to save the planet and has little time for popes. John Paul is a chancer, a charmer and the undisputed apple of his Granny's eye—but he's not exactly Pontiff material.

None of the triplets have much contact with their big sister Peg—a forbidden topic of conversation since she ran away to New York City in disgrace at the age of seventeen. But that's about to change.

**Shortlisted for the Irish Book Award  
Longlisted for the Desmond Elliott Prize for New Fiction**

**"Hilarious and timely, a dazzling debut." —John Boyne, #1 New York Times bestselling author of *The Heart's Invisible Furies***

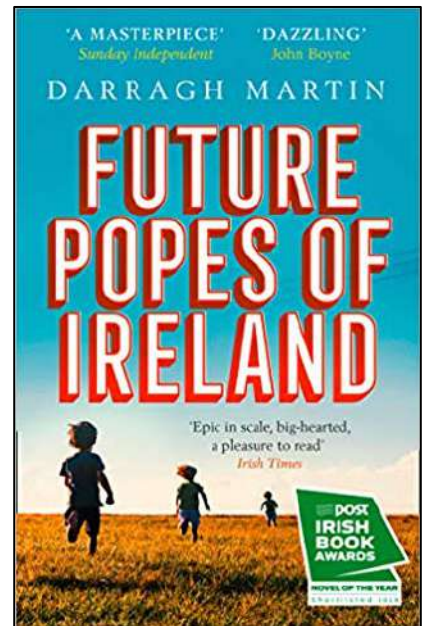

**"A comic chronicle of Irish life...Darragh Martin's bustling, bubbly debut adult novel plants a flag on terrain Roddy Doyle's *Barrytown* novels made their own." —*Daily Mail***

**"An impressively ambitious and compassionate attempt to reckon with recent history." —*The Observer***

**"...bulging, big-hearted debut novel.... With this ambitious scope, *FUTURE POPES OF IRELAND* is in the vein of the American novel despite its very Irish terrain. Writers such as Anne Tyler and Jane Smiley come to mind, or Jonathan Franzen's *The Corrections*...an engrossing novel...Epic in scale and a pleasure to read." —*Irish Times***

**"It could be the story of any Irish family; the rifts that open up between people, and the silences that stand in the way of their reconciliation. Like so many of the stories that Irish people tell, it's highly entertaining, clever and funny. It's also, on another level, not funny at all." —*Sunday Times Culture***

**"A sharp chronicler, you can practically smell the past as it wafts up at you from his pages. And while there's tragedy, and outrage, too, there's whipsmart satire and riotous comedy alongside a type of scholarliness that provides this novel with its zest and ingenuity. Think Zadie Smith. But much funnier." —*Sunday Independent***

Poland: Wizard Media**

Originally from Dublin, Darragh Martin completed a PhD in theater at Columbia University on a Fulbright scholarship. *"A good novel needs a great opening and THE RETREAT has it...Smith lets her story roll out slowly, with plenty of wit and excellent character development even though the women are an unlikeable lot – from Katie, the former child star of her very own detective series, to Ellie-Rose, her mantra-spouting soon-to-be sister-in-law.
