Dark Terror - Book 5 of the Spirit Wild Series

Before she was rescued from a human trafficking ring by the Chanku, Mary Ryder had lived a tortured life as a sex slave and prostitute, and the emotional scars of that time still haunt her. Through the patient strength and genuine devotion of Jack Temple, Mary is slowly learning to open herself to the possibility of uncorrupted love and passion in his arms. But before the two can explore their newfound connection and dream of life as a mated pair, they must face a dark menace threatening all Chanku.

Aldo Xanakis was thought to be dead, but harnessing the life force of those he had slain, he has reappeared as a dark and vicious demon hell-bent on the destruction of the pack—and of all humankind. With only days to stop the demon's lethal plans and the fanatical religious cult he has enlisted to serve him, the entire Chanku pack unites to combine their power against him. As Mary and Jack are thrown together in an epic battle against evil, they and the rest of the pack will be forced to harness all the magic and sensual power they possess to preserve their way of life and everything they hold dear.

A Love for All Seasons

With four novellas—one for each season of the year—you’ll find a heartwarming collection of couples from a simpler time in America who discover the redeeming powers of faith and love.

A Long Winter Kiss- As Samantha and Rex’s childhood friendship matured into young love, they promised their hearts to one another, even as Rex headed off to war. But their hope for a bright future was shattered when Rex succumbed to his belief that the horrors of war had made him a man no woman could love. Now he has returned, and Samantha must help Rex see that he still has much to give—and much more to gain—by replacing fear with faith and

opening himself to love.

An Unlikely Spring Courtship- Tempest worked hard to secure her independence as a woman running her own mercantile, so when Bram has the audacity to open a competing shop in a town with only enough room for one, Tempest is driven to despair. And then to retaliation. But when tragedy strikes their community and threatens everything they both hold dear, will they be able to recognize that what they share is far more important than what separates them?

A Summer for Love- Lorelee’s life has changed dramatically in the eight years since she’s last seen the resort town of Bayocean, but one thing that has never changed is her feelings for Wyatt, a man she promised to meet at the resort on a specific day if they were both still unattached. When Wyatt appears on that date, as hopeful and uncertain as Lorelee, the two must see if an old and abiding love has outlasted the changes wrought by time—and begin to build a new life together.

Romance in Autumn- Phoebe and James grew up together but apart in the same beautiful mansion, he as the son of the owners, she as the daughter of a servant. In the years since, Phoebe’s fortunes have changed dramatically, and she carries the dream of one day owning the mansion that is still close to her heart. Until James—now a deeply compelling man—delivers the bad news that securing the purchase will be all but impossible. As Phoebe reluctantly relinquishes her dream, she will also look deep into her soul to learn that a true home might exist in her budding love for James.

Daryl Wood Gerber

Pressing the Issue- Book 6 of the Cookbook Nook Mystery Series

As the annual Renaissance Fair comes to Crystal Cove, Jenna Hart's Cookbook Nook is packed with tasty treats and all things medieval, while her pal Bailey is ready to swoon over her upcoming nuptials at a local vineyard. But when the two friends discover the body of the vineyard's owner bludgeoned by a winepress, all their merriment fades, along with their hopes for a vintage year.

Which churlish varlet did the deed? Was it the victim's errant brother, who stood to inherit the vineyards? Or the owner's crestfallen ex-girlfriend? Mayhap it was the newly arrived comely wench, or her jealous husband. Fie on them all! Verily, Jenna can't rest until justice is served, and she vows to track down the killer. But can she sniff out the truth before the villainous culprit strikes again?

Praise for Daryl Wood Gerber's previous releases:

"There's a feisty new amateur sleuth in town and her name is Jenna Hart. With a bodacious cast of characters, a wrenching murder, and a collection of cookbooks to die for, Daryl Wood Gerber's Final Sentence is a page-turning puzzler of a mystery that I could not put down." —Jenn McKinlay, New York Times bestselling author of the Cupcake Mysteries and Library Lovers Mysteries
