# Won't You Be My Neighbor

A Mister Rogers Poetry Book

By Fred Rogers

Illustrated by Luke Flowers

For the first time ever, Mister Rogers's beloved opening theme song is in board book form to share with the youngest readers. Follow Mister Rogers through the neighborhood as he welcomes readers into his world, meeting familiar faces and new friends alike with kindness and respect. Featuring bright, upbeat illustrations by Luke Flowers and sweet lyrics that fans will know by heart, this edition is a perfect introduction to the joy of Mister Rogers and a giftable companion to the *New York Times* best-selling treasury *A Beautiful Day in the Neighborhood* (Quirk Books, 2019).

**FRED ROGERS** was many things—a minister, a musician, a puppeteer, a television star, a friend to children for generations, and, most of all, a very good neighbor. For over 30 years, he created and hosted the groundbreaking educational television series *Mister Rogers' Neighborhood*, which worked to instill kindness, self-esteem, and emotional intelligence in his child viewers. He received the Presidential Medal of Freedom and was inducted into the Television Hall of Fame, among other distinguished honors.

**LUKE FLOWERS** has illustrated over 42 children's books, including his author/illustrator debut series *Moby Shinobi*, a Scholastic Easy Reader that has sold 800,000+ copies across three books since 2016. Luke's artwork explores a wide range of styles and techniques and has been featured in over 36 gallery shows in Los Angeles, New York, and Colorado. He also enjoys puppeteering, playing banjo, and going on adventures with his wife and three kids in Colorado Springs, Colorado. You can see more of his work at [lukeflowerscreative.com](http://lukeflowerscreative.com).

# A Beautiful Day in the Neighborhood

The Poetry of Mister Rogers

By Fred Rogers

Illustrated by Luke Flowers

For the first time ever, 75 beloved songs from *Mister Rogers' Neighborhood* and *The Children's Corner* are collected in this charmingly illustrated treasury, sure to be cherished by generations of children as well as the millions of adults who grew up with Mister Rogers.

From funny to sweet, silly to sincere, the lyrics of Mister Rogers explore such universal topics as feelings, new siblings, everyday life, imagination, and more. Through these songs—as well as endearing puppets and honest conversations—Mister Rogers instilled in his young viewers the values of kindness, self-awareness, and self-esteem. But most of all, he taught children that they are loved, just as they are. Perfect for bedtime, sing-along, or quiet time alone, this beautiful book of meaningful poetry is for every child—including the child inside of every one of us.

**FRED ROGERS** was many things—a minister, a musician, a puppeteer, a television star, a friend to children for generations, and, most of all, a very good neighbor. # Doctor Who

The Runaway TARDIS

**Based on the television series by Chris Chibnall**

**Illustrated by Kim Smith**

The beloved sci-fi TV show is now an adorable Pop Classics picture book, perfect for *Doctor Who* fans of all ages.

Unable to make friends at her new school, Lizzie packs a bag and runs away. But after stumbling upon a mysterious blue box in the woods, she will go on a much grander journey than she had planned. The box, called the TARDIS, is piloted by “The Doctor,” a mysterious woman who claims to be a time-traveling space alien. When the TARDIS malfunctions, Lizzie and the Doctor are sent catapulting through time and space, where they visit prehistoric dinosaurs, ancient Egypt, an alien planet, and more. Along the way, Lizzie learns that making new friends isn’t so hard after all . . . but will she ever be able to get back home? Charmingly illustrated by Kim Smith, this new Pop Classic will be an essential addition to the library of every Whovian, young and old alike.

**CHRIS CHIBNALL** is a television writer and producer. He is the showrunner and head writer of *Doctor Who*, beginning with the eleventh series. He was also producer and head writer of the first two series of the spinoff show *Torchwood*.

**KIM SMITH** has illustrated all the books in the Pop Classics series. A graduate of the Alberta College of Art and Design, she lives in Calgary, Canada.

# The GayBCs

By M. L. Webb

A joyful celebration of LGBTQ+ vocabulary for kids of all ages! A playdate extravaganza transforms into a celebration of friendship, love, and identity as four friends sashay out of all the closets, dress up in a wardrobe fit for kings and queens, and discover the wonder of imagination. From *A is for Ally* to *F is for Family* to *Q is for Queer*, debut author/illustrator M. L. Webb's bright illustrations and lively, inclusive poems delight in the beauty of embracing one's truest self. A glossary in the back offers opportunity for further discussion of terms and identities. *The GayBCs* is perfect for fans of *A Is for Activist* and *Feminist Baby*—showing kids and adults alike that every identity is worthy of being celebrated.

**M. L. WEBB** is an author, illustrator, and graphic designer who spends his free time getting lost in Central Park. He was born and raised in McMinnville, Tennessee, and now lives in New York City.

## PRAISE FOR *THE GAYBCS*:

A *Red Tricycle* Best Kids Book of 2019

"For many kids, this will encourage important conversations about identity and sexuality, as well as offer those who might be questioning their own identities the space to see themselves."—*Booklist*

"The perfect way to teach your kiddos LGBTQ+ vocab while celebrating the beauty of embracing yourself and others."

—*KJWI Magazine*

"For the child with two Mommies or two Daddies, and for the kids in that child's preschool session...or it might make a great gift for the adult who still possesses the wonder of a child. Or for an adult, just because."—Terri Schlichenmeyer, *The Bookworm Sez*

"An invaluable resource for demystifying LGBTQ+ vocab for kids.. packed with the type of positive messages I love sharing with my kids and I want all kids to hear: "Brave, creative, and strong. You are special and loved, and you'll always belong."—*Dad Suggests*

"A great way to introduce 26 words to kids while teaching them to read."

# Pet That Dog!

A Handbook for Making Four-Legged Friends

By Gideon Kidd, with Rachel Braunigan

Like many kids (and adults!), Gideon loves to pet dogs. He loves meeting new dogs so much that he asked his mom if he could make a website showcasing all the dogs he's had the pleasure to pet. That website eventually became the popular Twitter account I've Pet That Dog (now on Instagram too), and since April 2018 Gideon has amassed over 300,000 fans of his heartwarming and delightful canine encounters. With each tweet and post, Gideon presents a photo of himself with the most recent dog he's met, as well as a few lines telling the dog's story. He has now petted and profiled over 1,000 dogs!

This charming, interactive handbook includes an informative guide to safely meeting and petting unfamiliar dogs, how-tos on caring for dogs as pets, cool facts about dogs, fun quizzes, and much more. Kids can track their dog introductions just like Gideon does, learning helpful dos and don'ts along the way. This celebration of our favorite furry four-legged friends is the perfect gift for any dog lover in your life.

**GIDEON KIDD** loves dogs and hopes to meet and pet as many as he can. He asked his mom if he could start a blog in 2016, when he was 8 years old, documenting each dog he petted. He began posting his pictures and stories on Twitter in April 2018, and he has now petted over 1,000 dogs and has over 350,000 Twitter followers at @ivepetthatdog.

**RACHEL BRAUNIGAN** is Gideon's mom. A social worker turned stay-at-home mom, she has four sons. Rachel assists Gideon with his project by taking pictures and helping in his never-ending quest to pet more dogs.

From pooch-loving Gideon Kidd and his popular social media account @ivepetthatdog comes an illustrated guide to meeting, caring for, and learning about canines of all kinds

## Introduction: I've Pet That Dog!

My name is Gideon and I love dogs. So far, I have petted more than one thousand different dogs. I've always asked to pet every dog I see. I know all the dogs in my neighborhood and many of the dogs in my town. I think dogs are amazing creatures. I love that each one looks different and has a different story. My favorite dogs are the biggest dogs and the smallest dogs. I like everything about dogs.

When I was eight years old, I decided to keep track of each dog I met. I asked my mom if I could take a picture with each dog I petted to show everyone. At first she was confused, but then she said that I could start a website. On my site, I put a picture of myself with each dog I meet. I also keep a count of how many different dogs I've met.

Most of the time, when I meet dogs people tell me stories about them. When I joined Twitter in 2018, I decided to share these stories along with the pictures. Each dog I meet teaches me something new. I find dogs everywhere I go. Some are big, some are tiny. Some dogs have jobs. Some are playful. Some are fearful. Some dogs have homes and families. Some dogs are looking for a home. Each dog is different, and each dog has a story.

When a dog is relaxed, with her mouth open and tongue out, she is happy and comfortable.

When a dog wants to play, his body is loose and wiggly. He lowers the front of his body into a play bow. Your dog might do this when he wants you to throw the ball.

If a dog looks like she is frozen and not moving, it is because she is unsure or uncomfortable.

Many people think that dogs are tired when they yawn. Instead, yawning is how dogs showing that they are nervous.

When a dog cowers or lowers their body to the ground with his ears back, he is afraid.

Another way dogs show their fear is by tucking their tails under their body.

A scared dog may pant very fast.

When a dog's fur stands up on her shoulders, spine, or tail, it is called *hackles*. This does not mean that she is about to attack. It means she is upset, nervous, and excited about something. When you see *hackles* go up on a dog, back away and give her space so that she can feel comfortable.

# Tales from Lovecraft Middle School

## Series Overview

“Fans of [R.L. Stine’s] *Goosebumps* and other lightly creepy fare will look forward to spending more time with [this] series.”—*Publishers Weekly*

by **Charles Gilman**  
illustrations by **Eugene Smith**

It’s a new school year in a strange new school: Lovecraft Middle School. It’s a brand-new state-of-the-art facility—so why do creepy things keep happening? Why do teachers act so strangely? And where are all the rats coming from?

In *Professor Gargoyle*, 11-year-old Robert and his new friends Glenn and Karina discover that the school library might be a portal to another world, one teeming with monsters, demons, ghosts, and other beasts that go squish in the night.

In *The Slither Sisters*, we follow Robert and his friends deeper into the world of Lovecraft Middle School—and its bizarre parallel dimension, where they match wits with a pair of mysterious twin sisters who may not be what they seem . . .

*Teacher’s Pest* introduces us to student council president Howard Mergler. Don’t be fooled by his polite manners or perfect test scores—he’s really a horrible insectoid monster determined to destroy the school!

In our newest book, *Substitute Creature*, after a giant storm dumps over a meter of snow on the town, Robert and his friends find themselves trapped in Lovecraft Middle School. They have no choice but to spend the night sleeping in classrooms and facing off against a sinister substitute teacher.

## This is Not the Jess Show

By Anna Carey

Sometimes it feels as though everything in Jess Flynn's life has been engineered for maximum drama—from her performance at the school talent show, to the reappearance of her childhood best friend and perennial crush, to her friends trying to set her up with one of the hottest guys in school. Now, for once, everything might be going her way . . . until one day a tiny black phone with an Apple logo on its screen falls out of her best friend's backpack and lands at Jess's feet.

The problem is, it's 1998, and the first iPhone isn't due out for another nine years.

Jess's friends refuse to acknowledge the strange device. It's almost as if everyone is hiding something from her. Even her beloved dog Fuller seems different . . . like, literally different, because he definitely didn't have that same pattern of spots on his stomach last week . . .

Nothing in Jess Flynn's world is as it seems, and as the cracks begin to show, Jess discovers shocking truths about people she trusted—and the nature of reality itself.

**ANNA CAREY** is the author of *Blackbird*, *Deadfall*, and the *Eve* trilogy. She lives in Los Angeles.

A timely YA thriller about a teenage girl whose reality may not be what it seems, blending 90s nostalgia with a speculative hook that dissects our modern reality TV and influencer-obsessed culture.

# Lycanthropy and Other Chronic Illnesses

A Novel

By Kristen O'Neal

Priya worked hard to get into Stanford to pursue her dream of becoming a doctor, but during her freshman year she starts to feel achy and foggy—and soon she can't get out of bed. A diagnosis of chronic Lyme disease forces her to put her future on hold and return home to her loving but overbearing family in southern New Jersey, where she spends her days wondering if her life will be over before it can really begin. Thankfully, she has @bigforkhands, aka Brigid, her online BFF who joins her in creating “oof ouch my bones,” an online chronic-illness support group of smart and funny teens who exchange tips on dealing with joint pain in between rapid-fire pop culture references. Everyone knows everyone else's diagnosis, but Brigid remains noticeably quiet on hers.

When Brigid disappears one day, Priya decides to do something out of character: she steals the family car and takes a road trip to meet Brigid in Pennsylvania. Dying to meet her bestie IRL but worried Brigid is in the middle of a flare, Priya arrives to find that a terrifying dog-like creature has destroyed Brigid's house. The weird part? She's pretty sure that creature is a werewolf—and she's pretty sure that werewolf is Brigid.

A sharply observed, hilarious, and heartwarming novel of best friendship and chronic illness, *Lycanthropy and Other Chronic Illnesses* explores what it means to come of age when your life gets derailed by a diagnosis—whether it's of the textbook or spellbook variety.

**KRISTEN O'NEAL** is a freelance writer who has written for sites like BuzzFeed Reader, Christianity Today, Birth.Movies.Death, LitHub, and Electric Literature. She writes about faith, culture (especially in film and television), and the ways the Internet can be weird, wonderful, and human. *Lycanthropy and Other Chronic Illnesses* is her debut young adult novel.

# Bookish and the Beast

By Ashley Poston

Rosie Thorne and her father have been short on luck—and money—for years. So when she loses her grocery store job unexpectedly, she knows she may be forced to give up on her dream of leaving her small town for a prestigious college creative writing program.

On the other hand, Vance Reigns has been Hollywood royalty for as long as Rosie's been clipping coupons and secretly writing massively popular fanfiction. When a scandal catches up to him, he's forced to hide out somewhere the paparazzi would never expect to find him: small town USA.

Rosie and Vance's paths collide in a chance encounter, and suddenly cataloging the Starfield library at Vance's manor house is Rosie's only shot at saving money for school. And though most Starfield superfans would jump at the chance to work in close proximity to the Hollywood star, Rosie realizes something about Vance: *she can't stand him*.

Still, there may be more to him than meets the eye. As Rosie and Vance begrudgingly get to know each other, secrets are revealed that could change their minds—and their hearts—forever.

**ASHLEY POSTON** is the author of the *Once Upon a Con* series (Quirk Books), *Heart of Iron* (HarperCollins), and *Soul of Stars* (HarperCollins). Her fangirl heart has taken her everywhere from the houses of Hollywood screenwriters to the stages of music festivals to geeked-out conventions (in cosplay, of course). When she's not inventing new recipes with peanut butter, having passionate dance-offs with her cat, or geeking out all over the internet, she writes books. She lives in small-town South Carolina, where you can see the stars impossibly well.

Author residence: Lexington, SC

In the third book in Ashley Poston's *Once Upon a Con* series, *Beauty and the Beast* is retold in the beloved Starfield universe.

## William Shakespeare's The Taming of the Clueless

By Ian Doescher

*Clueless* gets a makeover that Cher Horowitz and the Bard would approve of in this charming and witty retelling of the beloved '90s movie, presented as an authentic Shakespearean play written in iambic pentameter. Cher, the fairest maiden of Beverly Hills, takes center stage in this comedy of errors in which matchmaking, makeovers, and mall-hopping lead to plenty of merry-making—until Cher realizes her good intentions are creating mischief for her friends and family, including her new best friend Tai and her cute stepbrother Josh. The only solution? Admit that she knoweth nothing and beginneth anew.

Just in time for the movie's 25th anniversary, best-selling author Ian Doescher rolleth with the homies as he brings his signature Shakespearean wordsmithing to this beloved tale.

## William Shakespeare's Much Ado about Mean Girls

By Ian Doescher

On Wednesdays we array ourselves in pink! *Mean Girls* gets an Elizabethan makeover in this totally fetch comedy of manners about North Shore High's queen bees, wannabes, misfits, and nerds. Written in the style of the Bard of Avon, *William Shakespeare's Much Ado About Mean Girls* tells the story of Cady Heron's rise from home-schooled jungle freak to one of the most popular girls in school. Every scene and line of dialogue from the iconic script is reimagined in authentic Shakespearean rhyme, meter and stage directions, complete with dramatic asides from Janis, Damian, Gretchen, and Karen. By the end, you'll be surprised that Shakespeare didn't pen this classic story of rivalries, betrayal, jealousy, obsession, and fastidious rule-making about when one can and cannot wear sweatpants.

# We Are Here Forever

By Michelle Gish

**Based on the popular webcomic, this all-new stand-alone comics collection artfully blends post-apocalyptic sci fi, dry humor, and utter adorability.**

It's the most adorable apocalypse ever! The human race has vanished from the earth, replaced by innocent, playful creatures called the Puramus. In this hilarious and epic graphic novel, short interlocking stories follow the purple pals as they explore their new home, form a mini-monarchy, and develop a modern society on par with twenty-first-century humans. A final act pulls us across time and space in the search for clues to the origins of the Puramus. Along the way, humor and intrigue abound: Can King defend his village when nobody understands what war is? Will Jingle work up the nerve to read her poetry at open mic night? Will Puff Puff ever stop floating? Based on the Tumblr comic, *We Are Here Forever* is for fans of post-apocalyptic sci fi blended with dry humor and undeniable adorableness. Colorful and cartoony art will have you rooting for these cute critters through their absurd adventures, but are they really as harmless as they seem?

**MICHELLE GISH** is a designer and graphic artist who studied packaging design and illustration at Temple University. She works as a designer at WeVeel LLC, a toy and stationery company in the Philadelphia area. This is her first book.

# Bites of Terror

Ten Frightfully Delicious Tales

By Cuddles and Rage

**Tuck into these darkly funny horror stories served as an utterly unforgettable graphic novel of hand-sculpted dioramas.**

The Cake Creeper cordially invites you to a delicious and diabolical feast . . . where he'll serve you a slice of tasty terror. Enter the world of *Bites of Terror*, a gleefully macabre anthology of cautionary tales. Meet an ice-cream cone who regrets a wish granted by a sinister salesman, a quarantined strawberry trying to escape a deathly mold outbreak, and a widowed watermelon dying to regrow her husband from a seed. In the tradition of *Tales from the Crypt* and other classic horror comics, *Bites of Terror* presents a tasty combination of horror and humor that reflects the human condition.

Liz Reed and Jimmy Reed are the husband-and-wife team behind **CUDDLES AND RAGE**, a world of disturbingly cute stories. What began as a webcomic featuring doodles and dioramas of anthropomorphic food has grown to include books, animation, and product design. Their work has been featured by Nerdist, the *Washington Post*, NPR, HelloGiggles, and SparkLife, and they've created content for Netflix, TLC, Science Channel, and AwesomeCon. They live and work in the DC area.

Fandom is an excellent way to discover who you really are as you're growing up. Now fangirls of all stripes have the perfect path for exploration—a guided journal filled with essays, prompts, questions, and illustrations to get them in touch with their dreams, plans, and faves.

Each section opens with a personal essay by the author, followed by writing prompts made for self-reflection. Fangirls can start their own transformative works through prompts for fanfic and fanart, paired with inspirational quotes from famous women in fandom and kick-ass female characters from genre fiction. Also included are visual guides to comics, movies, TV shows, and video games; checklists for what to watch or read next; definitions of fandom terms; and wisdom from our favorite geeky gals. This writeable, wreckable, lovable journal encourages girls to be their very best, strongest, loudest, and nerdiest selves—while they figure out exactly who that might be along the way.

## Wonder Women

25 Innovators, Inventors, and Trailblazers  
Who Changed History

Smart women have always been able to achieve amazing things, even when the odds were stacked against them. In *Wonder Women*, author Sam Maggs tells the stories of the brilliant, brainy, and totally rad women in history who broke barriers as scientists, engineers, mathematicians, adventurers, and inventors. Plus, interviews with real-life women in STEM careers, an extensive bibliography, and a guide to women-centric science and technology organizations—all to show the many ways the geeky girls of today can help to build the future.

## Girl Squads

20 Female Friendships  
That Changed History

A modern girl is nothing without her squad of best friends. But don't let all the hashtags fool you: the #girlssquad goes back a long, long time. In this hilarious and heartfelt book, geek girl Sam Maggs takes you on a tour of some of history's most famous female BFFs

Spanning art, science, politics, activism, and even sports, these girl squads show just how essential female friendship has been throughout history and throughout the world. Maggs brings her signature wit and warmth as she pays tribute to the enduring power of the girl squad. Fun, feisty, and delightful to read—with empowering illustrations by artist Jenn Woodall—it's the perfect gift for your BFF.

**SAM MAGGS** is an associate writer for BioWare and the best-selling author of *The Fangirl's Guide to the Galaxy* and *Wonder Women*, both published by Quirk Books. Sam has been an editor for the geek girl culture site The Mary Sue and has been published across the web and in other books about gaming and genre.

## Girls Resist!

A Guide to Activism, Leadership,  
and Starting a Revolution

In over five  
Languages  
Worldwide!

By Kaelyn Rich

*Girls Resist!* is a stylish, relevant, timely activism handbook that speaks to teen girl readers like the intelligent and passionate people they are. In this age of political teen bloggers and young adult celebrities frankly discussing topics like sexism and racism, young women are more engaged, excited, and fired up than ever—but they also need guidance.

Globally-relevant topics not tied to any one country's political system will include picking a cause, fundraising, networking, and protesting. Plenty of space will be devoted to teen-specific topics like having tough talks with unsupportive family members, campaigning for representatives when you're too young to vote, and best practices for being effective (and safe!) while raising awareness on social media. Plus, an attractive design will make this as much a self-purchase as a gift, fitting perfectly between magazines and YA novels on a teen girl's shelf.

**KAELYN RICH** is a staff writer for popular queer women's website Autostraddle.com. A queer feminist, direct action organizer, and sexuality educator, she is the Assistant Advocacy Director of the American Civil Liberties Union of New York and the former community affairs coordinator for Planned Parenthood of Central and Western New York. She lives with her spouse, their new baby, and a house full of pets.

- Named one of the *Wall Street Journal's* picks for teen activism
- "Likely to become a go-to resource for young activists."—*Publishers Weekly*, starred review
- "Rousing and truthful...Rich is real with readers in a way that's refreshing...A smart tool to fight inequity."—*Booklist*
